HOW YOU BENEFIT

- You decide how much to give—no gift is too small.
- Your gift costs you nothing now.
- You retain control of your assets during your lifetime and, if your circumstances change, you can modify the gift.
- You may choose to keep your gift anonymous.
- You can leave a gift in honor or memory of someone who inspired your commitment to education.
- You will be remembered as someone who made our public schools better for students today and for future generations.

"The NEA Foundation allows educators to imagine, create, and innovate. Sometimes the policies of public schools suppress that, but the NEA Foundation unleashes it - and students benefit. I've left a gift in my will to support the work of the NEA Foundation so it can continue to encourage creativity and innovation in education."
